SU Faculty,

John B. Cade Library now has a suite of information literacy e-learning items called *Credo InfoLit Modules*. Credo InfoLit Modules are ideal for supporting existing classroom assignments for face-to-face or online student learners.

**The modules cover 6 topics:**

1. [Getting Started with Research](#)
2. [Sources of Information](#)
3. [Searching for Information](#)
4. [Evaluating Information](#)
5. [Presenting Research and Data](#)
6. [Citations and Academic Integrity](#)

**Multimedia Featured in Credo InfoLit Modules include:**

- 60+ Instructional Videos
- Fully Customizable Tutorials
- Quizzes
- Pre and Post Test

**How SU Faculty can use Credo InfoLit Modules**

Credo InfoLit Modules can be embedded into Moodle to support library information literacy practices, or students can access the InfoLit Modules from LibGuides (Subject/Course Guides) available from the library’s website or by link. Credo InfoLit Modules are fully ADA-compliant and will enhance instruction with engaging multimedia.

**How SU Librarians can help**

- Librarians are available to collaborate with SU Faculty in customizing Credo InfoLit Modules to support course assignments.
- Librarians are available to collaborate with SU Faculty on evaluating student usage, assessment reporting and grading.
- Librarians have partnered with SU Moodle Administrator, Chrisena Brown to ensure campus wide access of Credo InfoLit Modules in Moodle.
- Librarians are available to answer any questions you may have about Credo InfoLit Modules.
